To whom it may concern:

My name is Jean-Philippe Joassin and I have known Aslm El-Gharabawy for over a year. He has worked for me as a Process consultant at Kalmar Consulting group, where I am the Global Professional Services manager. In my position, which I have held for two years, I supervise a staff of 6 employees.

I am writing to recommend that you consider Aslm El-Gharabawy for your Position. In all my years of experience, some people stand out for their great qualities and Aslm El-Gharabawy is one of those people. He is well known for his (intelligence, work ethic, positive attitude, teamwork mentality, leadership, diligence). He is well respected throughout the organization for (consulting work - being the "go-to" person for closing onsite projects in various part of the world despite being new to this field, for getting things done, for meeting short deadlines, for accomplishing the project at hand). Throughout the time I've known him, he has shown me time and again that he is a positive, motivated consultant with amazing potential.

During his time here, he played an important role in (APMT MENA region mega project, completing onsite task, gaining accolades from the customer IT department). In fact, he was so effective in this organization that he was used in other unplanned projects.

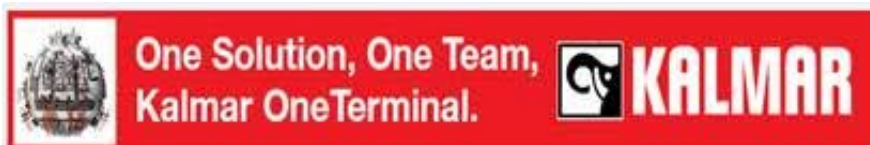

In summation, due to his great attitude, dedication and excellent potential, I would heartily recommend that you accept Aslm El-Gharabawy for the (position). I am sure that he would not let you down and would be as great an asset to your team as he has been to mine.

Please don't hesitate to contact me if I can be of further assistance. I can be reached at [312-909-3527](tel:312-909-3527) or [Jean-philippe.joassin@kalmarglobal.com](mailto:Jean-philippe.joassin@kalmarglobal.com)) or at ([jpjoassin@gmail.com](mailto:jpjoassin@gmail.com)).
